

From the May 13 of Fatima to the May 31 of Spiri-Maria

What an odd predilection Heaven has for the “month of Mary”, the time of the renewal of nature, celebrated for several centuries in the Christian world! Of course, Mary also appeared in other months: at Lourdes in February and March mainly, at La Salette in September, in Paris at the Rue du Bac in November – and there you have only a few examples –, but what we celebrate or remember most often is the month of May. Among Catholic people, we think in fact of the first apparition at Fatima on May 13, 1917, even if the cycle of those apparitions would go on until the miracle of the sun on October 13.

However, for us in the Lady’s Work, May 13 has had a very special “development”. In fact, the two figures of the number 13 were as though inverted so that the important date “slipped” from May 13 to May 31, especially because of the apparitions of the Lady of All Peoples at Amsterdam. Even if the first date the Lady gave during these apparitions was that of May 5 in the first message, the fact remains that she ended their cycle by manifesting herself only on May 31 every year, between May 31, 1954 and May 31, 1959, while strongly insisting on this date of May 31.

Our Lady of the Rosary at Fatima

In fact, there would be a new, major development concerning this date in recent years within the context of the Community of the Lady of All Peoples and the special ceremonies organized at Spiri-Maria. We may recall in particular Marie-Paule’s solemn entries, attired as the Lady of All Peoples and as the Sovereign of the Earth in 2007, 2008 and 2009. Had not the Lady herself announced, on May 31, 1954 at Amsterdam: *“It is on this day that the Lady will receive her coronation”*?

Thus, the entire cycle of the apparitions which began in Paris in 1830, and carried on in many places in Christendom, including Fatima and Amsterdam, was crowned with light at Spiri-Maria, *“in this time which is our time”*, the promise of the new Amsterdam, the “anti-chamber” of the Basilica Mary Queen and the entrance gate to the Kingdom of the Lord and the Lady on an Earth that will be fully renewed one day.
